

2023-2024 Supply List

Our Lady of Perpetual Help School

Dear OLPH Families,

Great efforts have been made to streamline our supply list. The list is now grouped by grade levels of required items that EACH child needs. There are some items specific to ONLY one grade level and are listed separately. Individual student items will be used by your child and NOT lumped for class consumption. Lastly, we are asking for some items to be donated by each family and NOT per child as requested in prior years. Please note that some teachers may request additional items as they are needed as well as asking you to REPLENISH supplies for your own child throughout the year.

Purchasing the correct supplies will support your child in being organized and prepared each day for responsible learning as an OLPH Student.

Supplies are needed the first day of school.

Please do not hesitate to ask any questions for clarification.
